

LEFT BANK CIDERS

BOTTLES

Old Gold Dry Barrel Aged 8% \$20 750ml Bottle

We pressed *Old Gold* from some of the last apples grown by our friends Sue and Ed Goold. It rested in maple bourbon barrels for over a year, lending a mellow whiskey character. Think crisp white wine aged in Kentucky. *Only 53 cases bottled.*

Kabbin Dry Wild Cider 7% \$15 500ml Bottle

Kabbin is wild fermented from wild apples. We spent the month of October picking apples in the Catskill Mountains—Maplecrest sweets, Durham sour, and flowering crabapples from the Arboretum. *Kabbin* has a full, mildly funky flavor. *Only 96 cases bottled.*

Tina Off-Dry Roadside Blend 7.2% \$15 500ml Bottle

Our friend Tina let us pick truckloads of apples from her farm in the Catskill mountains. And while the backbone of this cider is an uncultivated, bitter-sweet apple, on trips to Tina's we would pick every roadside crabapple we could find, resulting in a complex dry cider with a balanced structure and crisp finish. *Only 117 cases bottled.*

Cherry Baby Dry Cherry Rosé 8% \$20 750ml Bottle

On May 5th, Left Bank added its newest and cutest staff member just in time for cherry season. We got leftover cherry skins with pits from Mead Orchard and used them to kickstart a secondary ferment on a batch of cider, leading to a pronounced cherry aroma and a complex cherry-apple flavor, with hints of vanilla bean and almond.

Sharp Tongue Dry Blueberry Sour 7.2% \$18 750ml Bottle

Dry, barrel-aged, and packed with summer blueberries we picked from our favorite orchard. In the great pulp versus no pulp debate, this one sides firmly with pulp. You can see and taste the berry bits here, no fining or filtering to smooth it out.

Byron Dry Estate Cider 7% \$26 750ml Bottle

Byron is a grateful homage to our friend who has lovingly stewarded his 100+ year old antique orchard with extraordinary care, never spraying. To honor this special place, we blended his best Baldwins, Northern Spies, and Roxbury Russets into this flavorful dry cider. This one is all about the apples. *Only 43 cases bottled.*

MaryAnn's Mead Dry Mead 12% \$15 375ml Bottle

MaryAnn Welsh makes wildflower honey at her homestead near Middleburgh, NY. We mixed her honey with filtered water, fermented to complete dryness, and barrel aged for close to a year. This is a full-bodied honey flavor without any cloying sweetness. *Only 41 cases bottled.*

Spyser Dry Cyser 10% \$13 375ml Bottle

Cyser is a traditional co-ferment made through the fruitful marriage of apples and honey. Our Spyser features wild apples we harvested in the mountains, with an emphasis on the variety Northern Spy (...get it?). The resulting beverage combines the tartness of apples with the smoothness of honey—merged and beautifully mellowed by the barrel.
